Note: All vehicles that have not been previously authorized in writing will not be allowed to charge on the account.

**CREDIT AGREEMENT**

By executing this credit agreement, Applicant agrees to accept the Blue Ridge Resource Authority ("BRRRA") billing system for all charges on the account and agrees to all of the terms and conditions herein. The license number and/or truck number of Applicant's vehicle(s) or those authorized by Applicant will be used to identify purchase of waste disposal services. Physical address or waste origin may be requested by BRRRA at time of service. The Applicant agrees to pay any and all sums that may become payable under the published BRRRA Fee Schedule or this credit agreement for waste disposal services purchased by the Applicant or by any person with apparent authority to utilize this account, unless and until BRRRA is notified to the contrary in writing by the Applicant, as determined by BRRRA.

Customers whose account(s) have been placed on credit hold or closed will remain on credit hold and denied access to BRRRA facilities until their account(s) are paid in full including any interest and penalty charges. A delinquent credit customer, in this situation, will also not be permitted to pay cash for the privilege of discharging waste. Once accounts that are terminated have been paid in full, the account will remain on COD for a period of six (6) months. After the six-month probationary period, customers may submit a new credit application for consideration. Unauthorized or incorrect charges to this account shall be reported by the Applicant promptly. Applicant agrees that any charges not disputed as unauthorized or incorrect within twenty (20) calendar days of the charge date shall be accepted as valid charges and paid.

The Applicant hereby agrees that only acceptable waste and materials, as defined by the BRRRA, shall be delivered to or accepted at BRRRA facilities for disposal. All waste disposal will be charged at the published rate and is based on the waste origin. Mixed origin loads will be charged at the highest rate applicable. Applicant further agrees that the Applicant shall comply with all BRRRA operating procedures and any applicable law or regulation and that Applicant shall defend, indemnify, and hold BRRRA, its officers, agents, and employees harmless from Applicant's negligence or violation of any procedure, law, policy, or regulation. The validity, interpretation, and performance of this Agreement shall be governed by and construed in accordance with Virginia law applicable to contracts to be performed in Virginia, without giving effect to Virginia conflict of law or choice of law rules. Every action brought under or related to this credit agreement shall be brought in a Virginia court of competent jurisdiction in the County of Rockbridge. The undersigned individual executing on behalf of Applicant certifies that completion and signature of this application is authorized and that all information contained herein is true and correct.
